Re: *Updating the Intercarrier Compensation Regime to Eliminate Access Arbitrage*,
WC Docket No. 18-155

Dear Ms. Dortch:

On June 7, 2019, Michael R. Romano, Senior Vice President – Industry Affairs & Business Development at NTCA–The Rural Broadband Association (“NTCA”), and the undersigned and James Dawson of Jenner & Block LLP, counsel to NTCA, met with Nirali Patel, Wireline Advisor to Chairman Ajit Pai of the Federal Communications Commission (“Commission”). During the meeting, NTCA encouraged the Commission to adopt both prongs of its proposal to curb terminating access arbitrage in the intercarrier compensation systems.¹ The Commission’s innovative two-prong approach will effectively address terminating access arbitrage by shifting the financial burden for transport and by promoting direct interconnection in a manner that protects both interexchange carriers (“IXCs”) and consumers.²

NTCA also urged the Commission to ensure that any reforms adopted in this proceeding are targeted to address terminating access arbitrage and do not sweep so broadly as to affect innocent local exchange carriers (“LECs”).³ While NTCA supports efforts to eliminate arbitrage of the intercarrier compensation system, the Commission should take care to prevent unintended harms to LECs. NTCA also noted that if the second prong is not adopted, other measures
